Honorable Anne E. Thompson  
United States District Court  
District of New Jersey  
402 E. State Street  
Trenton, NJ 08608

Dear Magistrate Thompson,

I have received Mr. Leonard's reply to my opposition papers and find that it contains arguments relating to statutory issues that he did not raise in his motion. These require a response.

In addition, he included as exhibits printouts of litigation in which I have been involved which have no useful purpose other than to seek to prejudice this court which if explained would be seen in a different and favorable light. His inclusion of this material is most unfair and is unnecessary for his defense of the service and statutory issues he has raised. I would like the opportunity to provide the background of this litigation and explain the results to the court.

I would greatly appreciate an opportunity to respond to these issues in sur-reply or additional response.

If this request is granted I request until February 28th to file my response as it would be involved or if the court considers this too long an extension then February 25th.

Very truly yours,

Philip Seldon
